

CELL PHONE AND WHATSAPP

- Inform your cell phone provider that you will be traveling abroad and purchase a plan.
- WHATSAPP - <https://www.whatsapp.com> is a great service to use to make calls and share photos of the day with family and friends back home.

NOTIFY YOUR CREDIT CARD COMPANY ABOUT YOUR TRAVEL

If you don't give your credit card issuer a travel notice, the company won't know that you'll be making purchases in a new location. If the company starts to see charges on your credit card from a different state or country, it may flag these transactions as fraud.
